Information Regarding Personal Data Management at Gothenburg University Library

Data Protection Officer: Kristina Ullgren, Grants and Innovation Office, University of Gothenburg.

All personal data is managed according to the **General Data Protection Regulation**. (Regulation (EU) 2016/679 of the European Parliament and of the Council and SFS 2018:218, additional provisions). Information regarding name, address, and personal number is registered in a user database at Gothenburg University Library when a library card is issued. The user enters a contract accepting these terms upon receiving the library card.

Users with protected personal data are given the opportunity to enter a different address than the official one. It may be an address to a relative, an acquaintance, other public agency etc. However, information regarding name and personal number must be present in the user database. If the user opposes this, no library card can be issued.
